Sub: Prohibition - Sandur - Extension of Prohibition -
Payment of Compensation to the Distillery Contractor.
Ref: G.O.No.MS.594-Revenue Department 8/3/50 and G.O.Ms.No.
3093-Development dated 8/8/50.

Sir,

With reference to letters cited above, I am to state that the amount of compensations sanctioned to the Distillery contractor, Sandur, has been ordered to be debited to "8. State Excise duties - Compensation - Indian States and other governments." The compensations sanctioned are paid to the Distillery Contractor, Sandur, in view of his agreement with the Sandur State Government and it appears that the expenditure is not correctly debitable to the sub head, A. Indian States and other Governments, which head of account is intended to account for compensation paid to other governments and States as the equivalent of the duty collected in Madras State on spirituous medicinal preparations exported for consumption in their areas, vide para 231 of the Budget Memorandum 1950-51. The compensations may therefore, be more correctly accounted for under a detailed head ~~xxxxxxx~~, "Miscellaneous," to be opened under the sub head "Miscellaneous compensations," under the minor head "Compensations." It is, therefore, requested that the orders of government revising the classification already noted in the G.Os referred to above may please be issued at an early date.

Yours faithfully,
